

**Prayer Team Leader****Listen, Love & Pray with the Holy Spirit's Lead**

Always Pray for your team: Pray for protection before beginning ministry and cleansing afterwards. Anoint each other and ask the Holy Spirit to use you to glorify God.

- 1. As the person approaches: Quietly Ask the Holy Spirit...**How do you want me to pray for this person? Do you have a word for them? Ask God to fill you with His love and give you His love for them.
- 2. Listen** to the prayer recipient. Do not think about what you're going to say or pray as they are speaking. One ear is with them, your other ear is listening to the Holy Spirit.
- 3. Bring the person into the Presence of the Lord** with Praise & Thanks to God. Let Him do what He does best. **Don't** feel you need to start talking immediately. **Don't** be afraid of silence. Let the person know you are listening for God's guidance. Elegant prayers are not necessary. If it's not from God they are empty words. Do not give advice or your own story. It's not about you. Keep prayers short. Offer to pray after church.
- 4. Pray with your eyes open** to watch the Holy Spirit at work and pray accordingly.
- 5. God has given you power & authority so** begin or end prayer with "In Jesus' name."
